PROFESSIONAL SUMMARY

Java Full Stack Developer with hands-on experience in developing web applications and software solutions using Java, React.js, MySQL, and MongoDB. Completed internships in Full Stack Development and AI-Integrated MERN Stack Development, gaining practical exposure to modern software development practices. Strong foundation in object-oriented programming, database management, and problem-solving. Experienced in building academic and personal projects across web development and machine learning domains. Passionate about developing scalable applications and continuously learning emerging technologies to deliver innovative software solutions.

TECHNICAL SKILLS

Programming Languages: Java, JavaScript, SQL

Frontend Technologies: HTML5, CSS3, React.js, Tailwind CSS

Databases: MySQL, MongoDB

Tools & Platforms: Git, GitHub, Postman, Eclipse IDE, IntelliJ IDEA, Visual Studio Code

Core Concepts: Object-Oriented Programming (OOP), DBMS, SDLC, Problem Solving

INTERNSHIP EXPERIENCE

Full Stack Development Intern | Rushaw Technologies | Jan 2023 – Mar 2023

- Assisted in developing web applications, backend integration, testing, and database operations.

AI-Integrated MERN Stack Development Intern | Agastya EdTech | Feb 2026 – May 2026

- Worked on MERN-based applications, API integration, database management, and AI-enabled development workflows.

PROJECTS

Accident Severity Prediction Using Machine Learning

- Developed a machine learning-based system to predict accident severity using historical datasets.

Portfolio Website | React.js, Tailwind CSS

- Designed and developed a responsive portfolio website showcasing projects, skills, and certifications.

Food Delivery Application | Java, MySQL

- Developed a food ordering platform with authentication, order management, and database integration.

Tic Tac Toe Game | Core Java

- Built an interactive game implementing object-oriented programming concepts and game logic.

EDUCATION

Bachelor of Engineering (Computer Science & Engineering) | Cauvery Institute of Technology | 2023 – 2026

Diploma in Computer Science & Engineering | Government Polytechnic Channapatna | 2021 – 2023

SSLC | Karnataka Public School Besagarahalli | 2019-2020

CERTIFICATIONS & ACHIEVEMENTS

- Full Stack Development – Infosys Springboard
- HTML5 – Infosys Springboard
- Prompt Engineering Hackathon Participant – PES Mandya
- Hackathon Participant – GSSS Mysore
